Mrs N. E. Waldrop

Dear Mrs Waldrop-

In answer to your letter regarding Mrs Berkley I will say that I presume I made a mistake in signing her name as midwife. We engaged her as a nurse and not as a midwife but I signed her name to the paper because she was the only attendant here when the baby arrived. Mr Bell went for the doctor but the baby came before they got back. Dr Boeck left the

next morning for a two weeks vacation and asked his partner to call here and get a record by the baby but there seems misunderstanding the girl to do it.

MAY 28 1953

Mr. Bock learned of later and sent me the record to play out and I supposed I should have put his name to it instead of

Dear Doctor:

We are returning herewith, the birth certificate of the twin children of Mr. and Mrs. [illegible].L. Oviatt. In case of twins, two separate birth certificates should be made out, one for each child and a certificate of death for the stillborn.

Please attend to this matter with your registrar and return the certificates as soon as possible, as they are to be filed with this month's reports.

Very respectfully,

F. W. [illegible]lmond, Medical [illegible]dvisor.

Dear Doctor:

In checking over our records we find that on March 3rd we sent you birth certificate of twin children of Mr. and Mrs. W. L. Oviatt in order that separate return might be made for each child. The number of the certificate is 66003 and its loss disrupts our file and we would ask that you kindly look up this matter and comply with our request and return to us at your earliest convenience.

Dear Doctor: Re: 86003.

It has been nearly a month since we last wrote you requesting you to forward certificates of birth of the twin children of Mr. and Mrs. W. L. Oviatt.

We do not like to be annoying you with letters in reference to this matter but would ask that you kindly give this matter your attention and return us separate certificates for the twin children, or else return the certificate to us which we sent you. However, it is your duty as Registrar to see that certificates are properly filled out before forwarding to this office.

Will you kindly give us the courtesy of a reply?

Yours very truly,

BUREAU OF CENSUS

1935 JAN 2 PM 12 02

CHIEF CLERK

DEPARTMENT OF COMMERCE
BUREAU OF THE CENSUS
WASHINGTON

Boise, Idaho
Nov. 25, 1934

TO SUPERINTENDENTS OF SCHOOLS AND TEACHERS:

Through the joint effort of the Idaho Department of Public Welfare and the Federal Bureau of the Census and the State Emergency Relief Administration, an intensive state-wide campaign has been inaugurated in Idaho for the purpose of increasing birth registration, concentrating on those which have occured within the past twelve months.

Registration cards have been mailed or delivered to every family in Idaho from the Federal Census Bureau at Washington, D. C. Parents are being urged, wherever applicable, to fill in those cards and mail them to Washington, postage free. From the national capitol, the cards are returned and checked with existing records in the Division of Vital Statistics at Boise.

Everyone realizes the importance of proper birth registration in this day and age, beginning with the youngster's first day in school. Inheritance and insurance claims, voting priviliges, the right to marry, obtain passports, enlistment in or exemption from military service and various other contingencies arising in public and social life are dependent upon a proper birth certificate. Knowing that teachers are sympathetic to every phase of child welfare, I am asking you to get in touch with every one under your jurisdiction, through your bulletins or whatever method you use, and earnestly urge full support of this campaign.

If the teachers will tell the children about the cards, ask if baby brothers and sisters are registered, and stress the value of giving baby his "citizenship" papers at meetings of the Parent-Teacher groups, they will have contributed appreciably to this campaign and to the welfare of the coming generation.

For your information I will say that the program is being enthusiastically supported by J. W. Condie, state superintendent of public instruction, who has written to all county superintendents asking them to enlist the services of their teachers in the campaign.

A sample census card is enclosed. If you should care for a number of these we will be glad to supply them upon request.

The agencies sponsoring the "Register Your Baby" campaign will be exceedingly grateful for anything you and the teachers in your schools may be able to do to make this program a complete success.

Yours very truly,

Lewis Williams

That she is the sister and is twelve years older than Ruby Bernice Campbell, the daughter of Gilbert Campbell and Lydia May Anderson Campbell, born at Rexburg, Idaho on the 26th day of December, 1920; that she is aware the Idaho Certificate of Birth under file numbers 86247 indicates the birth was for a male child born to the named parents, but no name indicated for the child; that your affiant, being twelve years of age, recalls the birth of her sister, Ruby Bernice, and that the information contained herein is accurate; further, that the birth certificate above mentioned showing the birth of a male child born to the mother and father of your affiant on the 26th day of December, 1920, is inaccurate and wrong, because Ruby Bernice, a female child, was born to the parents of your affiant upon said day.

I, Gwenn Evans Mc Laughlin, being first duly sworn, on oath deposes and says:

That my daughter, Frances Virginia McLaughlin, having recently secured her birth certificate from the State of Idaho, finds that it is incorrect in the following instances;

Her father, Terence William Mc Laughlin, was born in Lee, Massachusetts, on July 25, 1884, whereas the record shows that he was born in Canada, which is incurrect; He died in Wallace, Idaho, on Sept. 25, 1935, and both he and I are American citizens, born in this country.

This affidavit is given to correct her certificate.
